ALL THE BACKUP YOU NEED

1947 Yılında İstanbul Kurtuluş semtinde kurulan Rekor Kauçuk, İstanbul Pendik'te kurulu merkez yerine 1978 senesinde taşınmıştır. Rekor Kauçuk; günümüzde kauçuk sektörünün Türkiye'deki öncü ve lider kuruluşlarından biridir.

Türkiye, Avrupa ve Amerika'nın en iyi makine üreticileri tarafından üretilmiş en modern ekipmanlarla donatılmıştır. Üretim, 2017 yılında, Eskişehir Organize Sanayi Bölgesi'nde bulunan ve 75.000 m2 açık alan üzerine ve 38.000 m2 kapalı alan üzerine kurulu fabrikasına taşınmıştır. Soğuk sırt kauçuğu üretimi ve teknik hamur üretimi olmak üzere iki ana üretim bölümü mevcuttur.

Birinci bölüm hamur karışımı ile ilgili olup, ikinci bölümde ise soğuk kaplama sırt kauçuğu üretim tesisi bulunmaktadır. Her zaman mevcut standartların çok üstünde üretim yapma felsefesi, Rekor Kauçuk'un kalitesini oluşturmaktadır. Firmamız çağdaş teknolojilere sahip işletmesinde ve pazarlama hizmetinde ISO 9001:2015 - ISO 14001:2015 - ISO 45001:2018 - ISO 27001:2017 - IATF 16949:2016 - AS 9100:2016 - TS 13828, belgelerine sahip Türkiye'nin öncü kuruluşlarından biridir. İstanbul Pendik, Genel Müdürlük olarak faaliyetine devam etmektedir.

Rekor Kauçuk being founded in 1947 in the Kurtulus district of Istanbul, has moved to its location in Pendik in 1978. Today Rekor is the leading company of Turkish Rubber Industry, equipped with the newest machineries of the best manufacturers in the world.

The production has moved to its new plant in Eskişehir Industrial Zone in 2017, with a total of 75.000 m2 land, 38.000 m2 of which is closed area. The production is mainly separated into two segments, technical compound production and precure tread production.

The first one is rubber compounding operations for a wide range of Automobile industry needs whilst the second one is producing precure treads for tyre retreading industry. The philosophy of Rekor Kauçuk is always making better quality production above the existing standards. This is provided with the ISO 9001:2015 - ISO 14001:2015 - ISO 45001:2018 - ISO 27001:2017 - IATF 16949:2016 - AS 9100:2016 - TS 13828, quality certificates and served to its valuable customers. İstanbul Pendik office is still in operation as the Headquarter.
